

Convoy for Kids, first started in the year 2000 and was formed by the transport and logistics companies which made up The Logistics Sub-Committee of The Australian-Thai Chamber of Commerce at that time.

The group aims to put some fun into the lives of handicapped and under privileged children as well as give them some financial support.

Since that time, Convoy for Kids has held two events each year, one which is a fun day for children, usually held in November for over 250 children from The Pakred school in Nonthaburi, Sister Joan's Klong Toey Slums Project and The Bang Seu Project. Since the beginning of Convoy for Kids, children have been taken on an annual visit to venues such as Safari World, Bang Saen Beach, Muang Boran (Ancient City), and Khaow Khaew Zoo.

The main beneficiary of Convoy for Kids fundraising is the Sri Sangwal School, a

non-profit organisation established in 1954 which does great work educating and rehabilitating handicapped children. The Foundation is run by a board of professional business people who give their time free of charge. It is well run with transparency in its financial transactions and adopts good governance principles. Convoy for Kids fundraising has helped in providing a special bus, providing monies for a new library, renovating and painting the school building, improving the rehabilitation centre, providing a new security system and installing a new lift.

The main fundraising event is the annual Convoy for Kids Golf Day. This year the Convoy for Kids Golf Day will be held on the 10th June at Laem Chabang International Country Club.

Corporate sponsorship is fundamental to the success of the event and the organisers are now seeking sponsors. Support can be provided by being a Gold, Silver, Hole or prize sponsor.

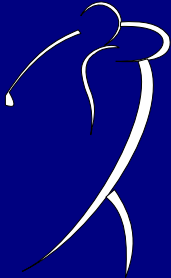

We hope you will be able to support the Chamber help this worthy cause. All sponsorship enquiries should be addressed to David Mills ([david@convoyforkids.com](mailto:david@convoyforkids.com)).
