

## **AustCham CSR Fundraising 2016**

This year our members helped AustCham raise funds in excess of 500,000THB for our CSR program. At the 2016 Australia Ball we provided more than 100,000THB to the Fred Hollows Foundation and, once again this year, we surveyed members to identify which causes will receive the remaining funds.

Thank you to all those who took the time to provide feedback and submit suggestions.

Your votes were used to determine the allocation of funding, and the following five causes will each receive a donation of 80,000THB.

Sister Joan Foundation

Mercy Centre

Born to Live

Operation Smile

The Mechai Pattana School

We look forward to growing the Chamber's CSR program in 2017, in support of the fundraising goals of our members to assist the many worthwhile causes that help people in need.
